ABOUT ANTHONY

Anthony Conforti

(708) 557–7742 AnthinyC@CRER.com

As a lifetime resident of Chicagoland, Anthony has always taken an interest in real estate. From an early age, Anthony began working in his family real estate business. Working alongside his father and mentor, he gained invaluable knowledge and insight into the business. During this time he learned about everything from construction and remodeling to property management and investment strategies. This foundation led the way for his passion for real estate.

After attending college, Anthony knew that real estate was meant for him. In 2011 he earned his real estate license and hit the ground running. He began working with buyers and engaging in property management. Anthony developed an intimate understanding of the real estate transaction and the importance of client relationships. After gaining knowledge and experience, Anthony adapted to an ever changing market and began working with sellers and investors. His understanding of the market and ability to find off-market and distressed properties make him an asset to first time home buyers and seasoned investors alike.

Anthony is knowledgeable in all facets of real estate and continues to hone his skills. Himself an investor in real estate, Anthony understands the importance of finding the best deal for his client and exhausts all resources to do so. Anthony takes pride in providing the best possible service to all of his clients, and his attention to detail proves to be an invaluable quality time and time again. Anthony looks at a business relationship more like a partnership that will last a lifetime.
